<p>In the name of Allah, the All-Beneficent, the All-Merciful  O Allah, I ask forgiveness of You for everything for which I repented to You then returned to. And I ask forgiveness of You for everything I displeased You with and all that concerns me with which You are displeased. And I ask forgiveness of You for the favors which I used for increasing my disobedience towards You. And I ask forgiveness of You for the sins which no one knows except You and no one sees except You and nothing encompasses except Your Mercy and nothing delivers from except Your forgiveness and clemency. There is no god except You alone. Glory be to You! Indeed I was an oppressor to myself.</p>

<p>O Allah, I ask forgiveness of You for the injustice I committed against Your servants. Whatever of Your male or female servants whom I have hurt, physically or in their dignity or in their property, give them of Your bounty which lacks nothing. And I ask You to honor me with Your mercy which encompasses all things. Do not humble me with Your punishment but give me what I ask of You, for I am in great need of Your mercy, O Most Merciful of the merciful. May Allah send blessings upon Muhammad and upon all his companions. There is no power and no strength save in God, the Most High, the Great.</p>
